Email: skjaheerbasha999@gmail.com | Mobile: 8639230773

CAREER OBJECTIVE

Computer Science Engineering student with strong foundations in Data Structures, Algorithms, and Competitive Programming. Solved 1400+ coding problems across various platforms and actively participated in rated contests. Skilled in C++, Python, SQL, and Web Development.

TECHNICAL SKILLS

Programming : C++, Python, C, JavaScript
Web : HTML5, CSS3
Databases : MySQL, MongoDB, PostgreSQL
Tools & Platforms: Git, Linux, Windows
Core Concepts : Data Structures and Algorithms (DSA), Problem Solving, Object-Oriented Programming (OOP – C++)

EDUCATION

Aditya University, Kakinada, AP
Bachelor of Technology in Computer Science

CGPA : 7.50/10
Aug 2025 – Present

PROJECTS

Med-Sync (Medicine Reminder System) Dec 2025 [Source Code](#)

Tech Stack : HTML, CSS, JavaScript, Python

- Built a responsive medicine reminder web application to schedule, track, and manage daily medication routines.
- Implemented reminder and notification workflow to alert users about medicine timings and reduce missed dose chances.
- Designed medicine entry, schedule viewing, and reminder management screens with clean UI and form validation.
- Collaborated with a 4-member team during HackSprint 2025 and contributed to UI design and reminder feature implementation.

S² Enhance System June 2026 [Source Code](#)

Tech Stack : HTML, CSS, JavaScript, Node.js, Express.js, MongoDB

- Built a full-stack student productivity platform with Education, Health, Time Management, and Dashboard modules.
- Implemented authentication, profile setup, course recommendations, skill tracking, exam progress, and health tracking features.
- Built REST APIs to manage users, tasks, progress data, and dashboard records in MongoDB.
- Created a centralized dashboard with progress graphs, streak tracking, notifications, and productivity insights.

COMPETITIVE PROGRAMMING

- Solved 1400+ problems across Codeforces, LeetCode, CodeChef, and HackerRank.
- [Codeforces](#) Rating: 1036.
- [Leetcode](#) : 400+ Problems Solved
- [Codechef](#) : 2 star (max: 1465).
- [Hackerrank](#) : 5 star in Problem Solving and C++, 4 star in Python and c.
- Participated 30+ rated contest across competitive programming platforms.

ACHIEVEMENTS

1. Hackerrank [Problem Solving Intermediate](#) Certification
2. Hackerrank [Python Basic](#) Certification.
3. [Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate.](#)
